Our support groups are designed to offer you emotional support and practical advice when caring for a frail loved one or someone with Alzheimer's or a related dementia.

Professional care is available during the meetings. Please call ahead if you will need care for your loved one.

**Please call ahead to check specific dates.
FREE. Refreshments Served.**

New members always welcome.

What our support group participants say:

- "The group leader was a great help to me in getting through a difficult time with my husband."
- "I was made to feel comfortable from the moment I stepped into the room."
- "Everyone was encouraged to participate and share their experiences."
- "The group leader was very helpful and experienced."
- "Been attending for about a year. Always come away with at least one new/better way to do one of my tasks."
