

March 18, 2020

Dear families and members of the community:

Due to the age and underlying health conditions of our program participants, as of 3/16/2020, Day Haven has decided to close our centers until further notice. This was not an easy decision as we know that families rely on our services to support their loved ones at home. However, the health and well-being of our participants, families, and the community at large are of utmost concern. We will continue to follow guidance from the CDC, Department of Health and the Medicaid Managed Long Term Care programs as to when our programs can safely re-open.

We have also cancelled all of our upcoming **in-person** educational programs, support groups and memory cafes until further notice. We understand that caregivers need support, particularly now, and we are currently investigating options to hold virtual support groups. Stay tuned for more information.

Day Haven will also begin sharing ideas regarding activities that can be done at home with your loved one, to help support their physical, cognitive and emotional well-being during their time away from Day Haven. Please go to Facebook and like our page "**Day Haven Adult Day Services**" for daily resources, videos and tips.

We are here to support you during these challenging times. Feel free to contact your Site Supervisors, Liz Fiordalisi (631) 476-9698 x213 or Elizabeth LeDonne (631) 585-2020 x207 or me with your questions or concerns. I can be reached at (631) 585-2020 x261. Stay safe and stay healthy.

Sincerely,

A handwritten signature in black ink, appearing to read "Lori Maldavir", with a long horizontal flourish extending to the right.

Lori Maldavir, Director of Day Haven and Program Development
